Fritjof Benjamin Nelting was born in 1983 in Stroehen, Germany. He graduated from "Christian-Rauch Gymnasium" High School, Bad Arolsen in 2003. He is married to Yangmu Nelting-Ji and has one child.

2004: He joins the parental company Gezeiten Haus GmbH

2006-2009: Medical-Economic Studies at the University of Applied Science, Cologne (RFH Köln). Master-Thesis: "Introduction of a clear Treatment Pathway, using the Example of Tinnitus"

2007-present: Fritjof Nelting has been one out of only five European trainer instructors for Taiji Bailong Ball. Furthermore, he is the publisher of Europe's first instructional DVD on Taiji Bailong ball.

2009: Founding member of the Gezeiten Haus Akademie. As the CEO of the Gezeiten Haus Akademie, he has been developing a medical integral concept for successful leading managers in a globalized world.

2010-2012: Overseas assignment in Beijing, China.

2013-present: CEO Gezeiten Haus Group

2014-present: PD at the International University of Applied Sciences, Bad Honnef

2015: Founder of the "Foods by Gezeiten Haus" brand. The company's focus lies in sustainable food production. All products are produced sugar-free and without the addition of food-preservatives. Ever since its introduction to the market, "Foods by Gezeiten Haus" has been successfully focusing on the market field of event-catering.

2015-present: Instructor-Training to become certified instructor for QiGong.
